

Luxury New Home Community in Mechanicsville, Virginia, Honey Meadows, Celebrates the Grand Opening of the New Rome Model

06/14/12

MECHANICSVILLE, Va., June 14, 2012 /PRNewswire/ -- NVR, Inc. (NYSE: NVR), one of the nation's largest homebuilding and mortgage banking companies, celebrates the Grand Opening of the new Rome model home at Honey Meadows, its brand new community of single-family homes in Mechanicsville, VA. Honey Meadows is being built by NVR's [Ryan Homes](#) division, with prices starting from the \$270s.

The new Rome model at Honey Meadows was designed with today's busiest homeowners in mind, blending traditional architecture with open space and modern amenities. The modern and thoughtfully designed kitchen boasts ample counter space, a walk-in pantry and an optional light-filled morning room and kitchen island for added storage and cooking space. The upstairs of the Rome offers as many options as it does space. Included in the floorplan are 4 bedrooms, up to 4 1/2 baths, an open loft, a spacious owner's suite with a large owner's bath and sitting area.

Conveniently located just off Route 301 and I-295, off Atlee Station Road, Honey Meadows is the ideal place to call home. This all-inclusive community provides a pool, clubhouse, fitness center and more. Walking and jogging trails, in addition to a 13-acre lake, provide recreation for the entire family. Ryan Homes is currently selling single-family homes on homesites from 1/4- to 1-acre, with lake homesites available.

Like all new Ryan homes, those at Honey Meadows are fully ENERGY STAR® Certified, yielding monthly utility bills up to 30% lower than standard homes, according to the EPA. All Ryan homes also carry 10-year structural warranties, and are independently verified for quality by a third-party inspector.
