NVR, INC. ANNOUNCES THIRD QUARTER RESULTS

FOR IMMEDIATE RELEASE

Contact: Dan Malzahn
Office: (703) 956-4204

October 21, 2009, Reston, VA—NVR, Inc. (NYSE: NVR), one of the nation's largest homebuilding and mortgage banking companies, announced net income for its third quarter ended September 30, 2009 of \$72,127,000, \$11.59 per diluted share. Net income and diluted earnings per share for its third quarter ended September 30, 2009 increased 97% and 89%, respectively, compared to the 2008 third quarter. Consolidated revenues for the third quarter of 2009 totaled \$814,016,000, a 13% decrease from \$939,211,000 for the comparable 2008 quarter.

For the nine months ended September 30, 2009, consolidated revenues were \$1,998,046,000, 28% lower than the \$2,782,865,000 reported for the same period of 2008. Net income for the nine months ended September 30, 2009 was \$131,541,000, compared to \$131,349,000 for the nine months ended September 30, 2008. Diluted earnings per share for the nine months ended September 30, 2009 was \$21.57, a decrease of 3% from \$22.21 per diluted share for the comparable period of 2008.

Homebuilding

New orders in the third quarter of 2009 increased 13% to 2,255 units, compared to 2,002 units in the third quarter of 2008. The cancellation rate in the quarter ended September 30, 2009 was 14% compared to 24% in the third quarter of 2008 and 14% in the second quarter of 2009. Settlements decreased in the third quarter of 2009 to 2,671 units, 3% less than the same period of 2008. The Company's backlog of homes sold but not settled at the end of the 2009 quarter decreased on a unit basis by 11% to 4,081 units and on a dollar basis by 19% to \$1,210,447,000 as compared to the same period last year.

Homebuilding revenues for the three months ended September 30, 2009 totaled \$792,510,000, 15% lower than the year earlier period. Gross profit margins increased to 19.7% in the 2009 third quarter compared to 13.2% for the same period in 2008. The third quarter 2008 gross profit margin results were negatively impacted by a \$42,839,000 land deposit impairment charge. Income before tax from homebuilding operations totaled \$98,626,000 in the 2009 third quarter, an increase of 74% compared to the third quarter of the previous year.

Mortgage Banking

Mortgage closed loan production of \$603,317,000 for the three months ended September 30, 2009 was 1% lower than the same period last year. Operating income for the mortgage banking operations during the third quarter of 2009 increased to \$14,814,000, compared to \$4,072,000 reported for the same period of 2008. Operating income in the current quarter was favorably impacted by an increase in unrealized income from the fair value measurement of locked loan commitments, forward mortgage-backed securities sales and closed loans held for sale, and by a decrease in incentives given to borrowers.

Some of the statements in this release made by the Company constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Certain, but not necessarily all, of such forward-looking statements can be identified by the use of forward-looking terminology, such as "believes," "expects," "may," "will," "should" or "anticipates" or the negative thereof or other variations thereof or comparable terminology, or by discussion of strategies, each of which involves risks and uncertainties. All statements other than those of historical facts included herein, including those regarding market trends, NVR's financial position, business strategy, the outcome of pending litigation, projected plans and objectives of management for future operations, are forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results or performance of NVR to be materially different from future results, performance or achievements expressed or implied by the forward-looking statements. Such risk factors include, but are not limited to, general economic and business conditions (on both a national and regional level), interest rate changes, access to suitable financing by NVR and by NVR's customers, competition, the availability and cost of land and other raw materials used by NVR in its homebuilding operations, shortages of labor, weather related slow downs, building moratoria, governmental regulation, the ability of NVR to integrate any acquired business, fluctuation and volatility of stock and other financial markets, mortgage financing availability and other factors over which NVR has little or no control. The Company has no obligation to update such forward-looking statements.
