## NVR, INC. ANNOUNCES FIRST QUARTER RESULTS

FOR IMMEDIATE RELEASE

Contact: Dan Malzahn  
Office: (703) 956-4204

RESTON, Va., April 18 /PRNewswire-FirstCall/ -- NVR, Inc. (NYSE: NVR), one of the nation's largest homebuilding and mortgage banking companies, announced net income for the 2008 first quarter of \$43,466,000, \$7.42 per diluted share, compared to net income of \$84,821,000, \$12.96 per diluted share, for the same period of 2007. Diluted earnings per share and net income for the first quarter ended March 31, 2008 were 43% and 49% respectively, below the 2007 first quarter. Consolidated revenues for the first three months of 2008 totaled \$887,931,000, a 19% decline from \$1,093,189,000 for the comparable 2007 quarter. At the end of the first quarter of 2008, cash was \$767,000,000 and the homebuilding debt to capital ratio was 14%.

## Homebuilding

New orders in the first quarter of 2008 decreased 30% to 2,731 units, when compared to 3,917 units in the first quarter of 2007. The cancellation rate in the first quarter of 2008 was 22% compared to 16% in the first quarter of 2007 and 32% in the fourth quarter of 2007. The cancellation rate in the Washington, D.C. market was 30% in the quarter compared to 22% in the first quarter of 2007 and 46% in the fourth quarter of 2007. The average sales price of new orders in the first quarter of 2008 declined by 14% from the first quarter of 2007. The average new order price declined in all regions but was primarily due to an 18% decline in the Mid-Atlantic region.

Settlements decreased in the first quarter of 2008 to 2,465 units, 9% less than the same period of 2007. Homebuilding revenues for the three months ended March 31, 2008 totaled \$869,869,000, 19% lower than the year earlier period. Income before tax from the homebuilding segment totaled \$61,932,000, a decrease of 52% when compared to the first quarter of the previous year. Gross profit margins decreased to 16.4% in the 2008 first quarter compared to 20.6% for the same period in 2007. The decline in gross profit margins was due to continued pricing pressure in most of our markets. Land deposit impairments of approximately \$6,600,000 negatively impacted gross profit margins by 76 basis points in the current quarter. The Company's backlog of homes sold but not settled at the end of the 2008 quarter decreased on a unit basis by 29% to 5,411 units from the same period last year. On a dollar basis, backlog dropped to \$1,915,519,000, a decline of 37% when compared to the same period last year.

## Mortgage Banking

Mortgage closed loan production of \$523,538,000 for the three months ended March 31, 2008 was 27% lower than the same period last year. Operating income for the mortgage banking operations during the first quarter of 2008 increased 11% to \$11,243,000, when compared to \$10,095,000 reported for the same period of 2007. Implementation of SFAS No. 157, Fair Value Measurements, positively impacted operating income by \$6,000,000 in the quarter primarily from including servicing values in the fair value measurement on locked loan commitments, which were partially offset by more aggressive mortgage pricing to the homebuyer.

Some of the statements in this release made by the Company constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Certain, but not necessarily all, of such forward-looking statements can be identified by the use of forward-looking terminology, such as "believes," "expects," "may," "will," "should" or "anticipates" or the negative thereof or other variations thereof or comparable terminology, or by discussion of strategies, each of which involves risks and uncertainties. All statements other than those of historical facts included herein, including those regarding market trends, NVR's financial position, business strategy, the outcome of pending litigation, projected plans and objectives of management for future operations, are forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results or performance of NVR to be materially different from future results, performance or achievements expressed or implied by the forward-looking statements. Such risk factors include, but are not limited to, general economic and business conditions (on both a national and regional level), interest rate changes, access to suitable financing by NVR and by NVR's customers, competition, the availability and cost of land and other raw materials used by NVR in its homebuilding operations, shortages of labor, weather related slow downs,

building moratoria, governmental regulation, the ability of NVR to integrate any acquired business, fluctuation and volatility of stock and other financial markets, mortgage financing availability and other factors over which NVR has little or no control. The Company has no obligation to update such forward-looking statements.
